

Liquid Dishmachine Detergent

Hard-working solution tackles your specific challenges, from managing diverse water conditions to removing tough food soils and stains.

- High-alkaline formula designed to efficiently clean and remove food soils
- Safe for use with institutional china, glassware, stainless steel and plastic ware.
- Effective in normal water conditions
- Crystal clear and spotless wares to support positive guest experiences
- Helps reduce surface rust and equipment maintenance needs

Directions:

Consult your ProClean representative for specific use directions.

Avoid food contamination during application and storage.
Do not store in food processing areas.

Rinse surfaces thoroughly with potable water after use.
