**Ready-to-use detergent provides an extra grease cutting boost when you need it.**

- Cuts through grease and tough, baked-on food soils
- Designed to have long-lasting suds
- Ready-to-use bottles for easy use
- Pleasant floral scent
- Formulated to be gentle on hands

\*Testing completed at an Ecolab Facility

## Pot and Pan Detergent Ready-to-Use

is a high performing liquid detergent built with a powerful combination of surfactants providing grease cutting and soil suspension against the toughest baked on food soils. Long-lasting suds attack heavy food soils, but remain gentle on the hands.

### Directions for Use:

All surfaces with direct contact to food are to be thoroughly rinsed with after product use.

1. Sink One: Fill sink using one 1 US Fl oz of ProClean Pot & Pan Detergent per 10 US gal of hot water (110–120°F). Adjust amount of product according to soil loads.
2. Sink Two: Immerse pots and pans in clean water. Remove and let excess water run back into sink.
3. Sink Three: Fill sink with warm water (75–100°F). Use an appropriate ProClean sanitizer for a sanitizing rinse, following directions on label. Let air dry. Do not wipe. Follow local health department regulations for rinsing.

### Note:

Refer to your local health regulations for additional guidance for sanitizer use.
