

# Advanced Antibacterial Hand Soap

Advanced formula effectively kills germs while still being gentle and safe on hands.

## Improve Hand Hygiene and Prevent Illness

- Gentle and moisturizing, easy on hands
- Effective at killing germs to reduce the risk of illness
- For use by guests and employees

## ProClean Advanced Antibacterial Hand Soap

Is a triclosan-free hand soap that provides excellent coverage to help improve hand hygiene and kill microorganisms that can cause illness while still being gentle enough on hands for repeated washes.

### Directions:

1. Wet hands with warm water.
2. Apply hand soap and run vigorously for 20 seconds.
3. Rinse thoroughly with warm water and dry with paper towels or air-dry.
