

ProClean Enzymatic Drain Treatment

Enzymatic cleaner that degrades organic waste eliminating the grease and food waste build-up that leads to unwanted pests and foul odors.

Maintain Free Flowing-Drains and Pipes

- Enzyme producing bacteria multiply to dissolve biodegradable waste
- Reduces grease, fat and food particle buildup in drain lines
- Neutralizes unpleasant drain odors

ProClean Enzymatic Drain Treatment

is a preventative treatment for grease traps, kitchen and restroom drains. Unique formula uses microbes to dissolve grease and food waste before they cause clogs while neutralizing odors. Can be used with auto-dosing systems.

Directions

For grease traps less than 20 cubic feet capacity; add 4-6 ounces daily.
 For grease traps larger than 20 cubic feet; add 18-20 ounces daily.
 After adding product, flush drain with a cupful of lukewarm water.
 Application should be done at night or when the traps are used the least.
