

FRUIT & VEGETABLES: WASH PROCEDURES

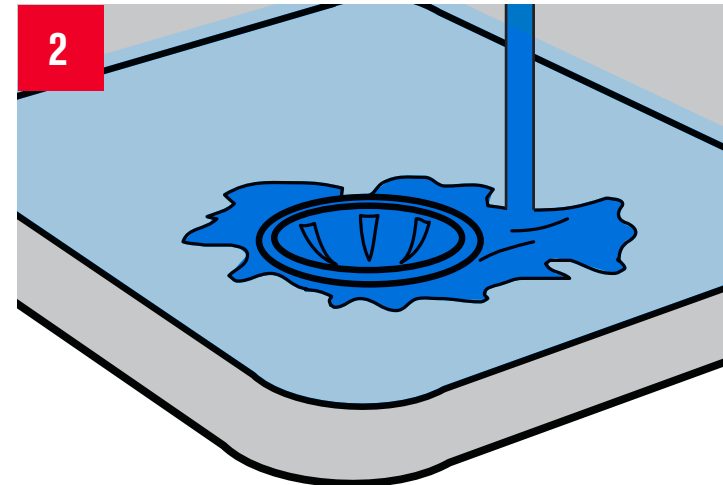

FRUTAS Y VEGETALES: PROCEDIMIENTOS DE LAVAR

CLEAN SINK

Ensure sink or bowl does not contain any product or food residue before dispensing this product.

Asegure que el fregadero o tazón no tenga producto o residuos de comida antes de dispensar el producto.

PREPARE SOLUTION

Prepare an approved solution of ProClean Produce Wash in a clean and sanitized empty sink or bowl. Ensure sink or bowl does not contain any other product or food residues before dispensing this product.

Prepare una solución aprobada de ProClean Produce Wash en un fregadero o tazón limpio, vacío y desinfectado. Asegure que el fregadero o tazón no tenga producto o residuos de comida antes de dispensar el producto.

SOAK 5-10 MINUTES

Place fruit and vegetables in the sink or bowl, covering them completely. Let soak for 5 to 10 minutes.

Coloque frutas y vegetales en el fregadero o en un tazón cubriéndolos completamente. Deje remojar por 5 a 10 minutos.

RINSE & ALLOW TO DRY

Rinse fruit and vegetables and allow to dry.

Enjuague las frutas y vegetales y deje secar.
